---

Guide to using: Entries are indexed by section number rather than page number, except for exhibits or illustrations. For example, in the entry “Jury duty, 15.3”, “15.3” refers to Chapter 15, Section 15.3. Exhibits (i.e., charts and forms) are identified by chapter and exhibit number. The forms found throughout the manual are also published in the Forms section at the back of the manual. They are not listed in the Index. See the Table of Contents in the Forms section for a listing of their page numbers. Tables are indexed by table number.

The following abbreviations are used throughout sub-entries. Main entry headings are written out in full.

CPP = Canada Pension Plan  
EI = Employment Insurance  
GST = Goods and Services Tax  
QPP = Quebec Pension Plan  
QST = Quebec Sales Tax  
RPP = Registered Pension Plans  
RRSP = Registered Retirement Savings Plan  
SUB = Supplemental Unemployment Benefit
