

## INDEX

### A

- Absolute risk
    - defined, 3-11
  - Accounts receivable
    - sale of assets, 9-71
  - Acquisition
    - compulsory, following takeover bids
      - appraisal rights, 7-100D
      - post
        - levels of earnings/cash flow, 5-110B
  - Acquisition date
    - defined, 3-11
  - Adjusted cost base
    - defined, 3-11
  - Adjusted equity
    - defined, 3-11
  - Adjusted net book value
    - defined, 3-11
    - valuation technique, as, 5A-40
  - Advanced Tax Ruling
    - ATR-36, 9-31
  - Advisors (external)
    - utilizing, in corporate acquisitions, 5C-9
  - After-tax cash flow
    - indicated discretionary, 5A-68
      - current results, 5A-69
      - effect of income tax rates, 5A-68
      - forecast earnings, 5A-70
      - historic operating results and related adjustments, 5A-72
  - After-tax earnings
    - discretionary cash flow
      - value conclusion, 5A-127
    - indicated from operations, 5A-68
      - capitalization of, 5A-68
      - coordination with business, industry and economic review, 5A-79
        - current result, 5A-69
        - forecast earnings, 5A-70
        - influence of external forces, 5A-71
        - historic operating results and related adjustments, 5A-72
        - inflation adjusted simple average, 5A-74
  - inflation adjusted weighted average, 5A-75
  - other considerations, 5A-77
  - pre-tax indicated earnings, 5A-68
  - selection of, 5A-65
    - forecast period, 5A-66
    - inflation, inclusion (exclusion) of, 5A-67
      - Nominal Rates of Return, 5A-67
      - Real Rates of Return, 5A-67
      - overview, 5A-66
      - sensitivity and probability of outcome, 5A-67
      - probability factors applied, 5A-68
- Agreements
  - fixed-amount-plus
    - capital gains/losses, 8-29
    - price abatement
      - capital gains/losses, 8-25
      - shareholders', *see* Shareholders' agreements
      - voting, control through, 7-18
    - warranty-type
      - capital gains/losses, 8-22.4
- Amalgamation
  - as type of squeeze-out, 7-105
  - corporate reorganization, 9-53
    - short form, 9-53
    - defined, 3-11
- Amendment of articles
  - appraisal rights, triggering, 7-76
  - type of squeeze-out, as, 7-105
- Amortization
  - defined, 3-11
- Appeal
  - period in which dissenter must exercise his right of, 7-85
- Appraisal
  - defined, 3-12
  - role of machinery and equipment in business valuation, 12-527
- Appraisal date
  - defined, 3-11
- Appraisal remedy
  - availability of, 7-77
  - defined, 3-11

## Appraisal rights

- amendments of articles triggering, 7-76
- availability of remedy, 7-77
- business combinations triggering, 7-76
- compulsory acquisition following take-over bids, 7-100D
- defined, 7-74N
- emergence of, 7-75
- fair value of shares
  - date at which, should be calculated, 7-82M
  - meaning of, 7-78
- Fraser transaction, the, 7-82I
- period to exercise right of appeal, 7-85
- reverses general policy of common law, 7-75
- stock market exception to, 7-90
- triggering events, 7-76
- United States, 7-87
  - apportioning value among different classes of stock, 7-100
    - costs of appraisal, 7-99
    - elements considered, 7-96
    - interest, 7-100
    - valuation of dissenters' stock, 7-95
    - weighing factors, 7-99

## Arbitrator

- conclusion, 10-20
- distinguished from valuer, 10-13
- legal responsibility, 10-11

## Arm's length

- acting at, 4-41
- dispositions to obtain tax benefits, 9-18
- IT Folio S1-F5-C1, 9-12
- non-arm's length transactions, 9-12

## Articles of incorporation

- amendment of, as type of squeeze-out, 7-105
- restraints on control, 7-28

## Asset(s)

- intangible, nature of, 6-11
- net tangible assets
  - goodwill as excess of going-concern value over, 12-15
- purchase of net
- redundant, *see* Redundant assets
- sale of
  - accounts receivable, 9-72
  - allocation of purchase price, 9-71
  - depreciable property, 9-73

- earnouts, 9-74
- interest deductibility, 9-74
- inventory 9-73
- non-depreciable capital property, 9-73
- prepaid expenses, 9-75
- reserves, 9-75
- versus sale of shares, 9-71

## Associated corporations

- defined, 3-12

**B**Balance sheet, *see also* Financial statements

- common size, 11-13
- introduction, 11-15
- leverage ratios, 11-17
- liquidity ratios, 11-16
- other ratios, 11-17
- review and redundant assets, 5A-97

## Base rate of return

- defined, 3-12

## Benchmark analysis

- defined, 3-12

## Bequest, property acquired by

- non-arm's length transaction
  - fair market value determination, 9-15

Bids, *see* Insider bids and Issuer bids

## Blockage

- Australian case law, 8-16
- block of publicly-traded securities, 8-12
- Canadian case law, 8-12
- defined, 8-11
- United States regulation, 8-18

## Blockage discount

- defined, 3-12, 8-11, 8-18

## Business

- cessation of, 6-56.2

*Business Corporations Act* (Ontario)

- appraisal rights under, 7-76, 7-77

## Business disturbance

- separate claim from expropriation, 12-11

## Business equity valuations

- policy statement (Information Circular 89-3), 2-401

- Business risk
    - defined, 3-12
  - Business transition
    - estate freezes, 7A-11
    - agreement between parties, 7A-11
    - defined, 7A-11
    - family business transition business plan, 7A-14
    - transition planning, 7A-11
  - Business valuation
    - defined, 3-12
  - Business valuation report
    - case study, 10-99
    - common deficiencies in, 10-203
  - Buy-sell agreements, 7-64D
    - defined, 3-12
  - C**
  - Canada Business Corporations Act*
    - appraisal rights under, 7-76
    - constitutional documents under
      - restraints on control, 7-27
