Watt
Criminal Law Precedents

Criminal Law Precedents, 2nd Edition contains authored precedents required for every stage of a criminal proceeding, set out in procedural order. Justice Watt provides expert guidance on completing each legislative form enabling you to save time and avoid costly mistakes. Each form is accompanied by a practice note and related provisions and principles, adding cross-references where applicable to Tremear's *Annotated Criminal Code*, *Watt's Manual of Criminal Evidence* and *Watt's Manual of Criminal Jury Instructions*, making it the perfect companion publication.
