1. INTRODUCTION TO THIS TEXT AND TO DERIVATIVE PRODUCTS
   1.1 Introduction to this Text ................................................................. 1-2
   1.2 General Definition and Features .................................................. 1-3
   1.3 The Building Blocks: Forwards and Options ................................. 1-4
     1.3.1 Forwards ......................................................................... 1-4
     1.3.2 Swap Contracts ................................................................. 1-5
     1.3.3 Futures ........................................................................... 1-6
     1.3.4 Options ........................................................................... 1-6
   1.4 Why Derivatives Products are Used ............................................. 1-8
   1.5 Products that Manage Interest Rate Risk ..................................... 1-8.1
     1.5.1 Interest Rate Swaps ........................................................... 1-8.1
     1.5.2 Basis Swaps .................................................................. 1-11
     1.5.3 Forward Swaps or Forward Rate Transaction ....................... 1-11
     1.5.4 Swaptions ....................................................................... 1-12
     1.5.5 Interest Rate Caps, Floors and Collars ................................... 1-13
     1.5.6 Delayed LIBOR Reset Swaps ............................................ 1-13
     1.5.7 Zero Coupon Swap ............................................................ 1-14
   1.6 Products that Manage Currency Rate Risk .................................... 1-14
     1.6.1 Currency Swaps ................................................................ 1-14
     1.6.2 Differential or “Quanto” Swap ............................................. 1-14
     1.6.3 Foreign Currency Asset Swaps .......................................... 1-15
     1.6.4 Currency Forwards ............................................................ 1-15
     1.6.5 Currency Options .............................................................. 1-15
     1.6.6 FRA Options ................................................................... 1-15
   1.7 Equity Index Derivatives ............................................................... 1-15
     1.7.1 Equity Index Swaps ........................................................... 1-15
     1.7.2 Equity Index Options ......................................................... 1-16
     1.7.3 Equity-Linked Debt Instruments ......................................... 1-17
   1.8 Products that Manage Commodity Price Risk ............................... 1-17
     1.8.1 Commodity Swaps and Other Commodity Based Products .... 1-17
   1.9 Products that Manage Credit Risk ................................................ 1-19
     1.9.1 Credit Derivatives Generally ............................................. 1-19
     1.9.2 Credit Default Swaps and Options (a.k.a. Credit Protection Transactions) ......................................................... 1-19
     1.9.3 Total Return Swaps ............................................................ 1-21
     1.9.4 Credit Spread Forward or Credit Spread Swap ..................... 1-22
     1.9.5 Credit Linked Notes ........................................................... 1-23
     1.9.6 Portfolio/Basket Swaps ...................................................... 1-23
   1.10 Products that Manage Other Risks .............................................. 1-24
2. DERIVATIVES DOCUMENTATION

2.1 Introduction ................................................................................. 2-2
  (a) General ........................................................................... 2-2
  (b) History of OTC Derivatives Documentation ............................ 2-2.1

2.2 Master Agreements........................................................................ 2-3
  (a) General........................................................................... 2-3
  (b) Architecture of the 1992 ISDA Master Agreement .................... 2-4
  (c) Basic Provisions of the 1992 ISDA Master Agreement .............. 2-7
  (d) Close-out Netting .............................................................. 2-14
  (e) Netting by Novation .......................................................... 2-16

2.3 Canadian Documentation Issues........................................................ 2-18
  (a) French Language Requirements ............................................ 2-18
  (b) Interest Act (Canada) ......................................................... 2-19
  (c) Bank Act (Canada)............................................................ 2-20
  (d) Additional Representations .................................................. 2-21
  (e) Force Majeure .................................................................. 2-22

2.4 Documenting Regulatory Requirements: ISDA Protocols and Publications Regarding Global Derivative Regulations............................................ 2-23
  2.4.1 Introduction ..................................................................... 2-23
  2.4.2 Dodd-Frank ..................................................................... 2-24
   (a) The External Business Conduct Rules .................................... 2-25
      (i) ISDA August 2012 DF Protocol Agreement (“Protocol 1 Agreement”) 2-26
      (ii) ISDA August 2012 DF Terms Agreement (“DF Terms Agreement”) 2-26
      (iii) ISDA August 2012 DF Supplement (“DF Supplement”) ................. 2-26
      (iv) ISDA August 2012 DF Protocol Questionnaire (Protocol 1 Questionnaire) and Counterparty Manager 2-27
      (v) Addendum I and II to DF Protocol 1 ........................................ 2-27
   (b) The Allocation Protocol ....................................................... 2-28
   (c) The Swap Trading Relationship Documentation Rules ............ 2-29
      (i) ISDA March 2013 DF Protocol Agreement (“Protocol 2 Agreement”) 2-29
      (ii) The Deemed Master ......................................................... 2-30
      (iii) ISDA March 2013 DF Supplement (“DF Supplement 2”) .............. 2-30
      (iv) ISDA March 2013 DF Protocol Questionnaire (Protocol 2 Questionnaire) and Counterparty Manager 2-31
   (d) The Cross-Border Swaps Representation Letter ....................... 2-31
   (e) ISDA 2013 DF Agreement for Non-U.S. Transactions (Guaranteed Affiliates) 2-31
   (f) The International Energy Credit Association (“IECA”) Agreements ........................................ 2-32
   (g) Custom Swap Dealer Agreements ........................................ 2-32
2.4.3 European Market Infrastructure Regulations (“EMIR”) .......................... 2-33
   (a) EMIR NFC Representation Protocol (“EMIR NFC Rep Protocol”) ......................... 2-33
   (b) ISDA 2013 EMIR Portfolio Reconciliation, Dispute Resolution and Disclosure Protocol (“ISDA EMIR Port Rec Protocol”) .............................. 2-34
   (c) Additional EMIR Publications .............................................................................. 2-34
      (i) EMIR Classification Letter (the “Letter”) .................................................. 2-35
      (ii) ISDA EMIR Frontloading Additional Termination Event Amendment Agreement (“Frontloading ATE Amendment”) .............................. 2-35
      (iii) Timely Confirmations Amendment .......................................................... 2-35
2.4.4 ISDA 2013 Reporting Protocol (“Reporting Protocol”) .......................... 2-36
2.4.5 Canadian Representation Letter #1 Trade Reporting and Other Obligations (“Canadian Trade Reporting Letter”) .............................................. 2-36
2.4.6 Post-2008 ISDA Protocoles ............................................................................. 2-37
   (a) ISDA 2014 Collateral Agreement Negative Interest Protocol (“Negative Interest Protocol”) ................................................................. 2-37
      (i) Negative Rates and Interpretive Ambiguity ........................................... 2-37
      (ii) The Terms of the Negative Interest Protocol ....................................... 2-37
      (iii) Excluded Agreements and the Opt-In Bilateral Agreement ................... 2-38
2.4.7 The ISDA 2016 Variation Margin Protocol and Related Initiatives ......... 2-38
   (a) Overview – The VM Big Bang ............................................................................ 2-38
   (b) ISDA Regulatory Margin Self Disclosure Letter (The “SDL”) ..................... 2-39
   (c) The ISDA 2016 Variation Margin Protocol .................................................... 2-40
      (i) VM Protocol ................................................................................................. 2-40
      (ii) Protocol Master Agreement ........................................................................ 2-40
      (iii) Method – New, Amend, Replicate and Amend ....................................... 2-40
      (iv) The Matching Process ................................................................................ 2-40
      (v) Protocol Exhibits ......................................................................................... 2-41
2.4.8 ISDA Bail-in & Stay Protocols - Special Resolution Regimes and the Impact on OTC Derivative Documentation ........................................... 2-41
   (a) ISDA Bail-In Protocols .................................................................................... 2-42
   (b) ISDA Stay Protocols ......................................................................................... 2-42
      (i) ISDA 2015 Universal Resolution Stay Protocol (ISDA Universal Protocol) ....................................................................................... 2-43
      (ii) ISDA Resolution Stay Jurisdictional Modular Protocol (ISDA JMP) ........... 2-43

3. CAPACITY AND AUTHORITY TO ENGAGE IN DERIVATIVES TRADING

3.1 General ............................................................................................................. 3-2
3.2 Effect of Lack of Capacity .............................................................................. 3-2
   3.2.1 Capacity versus Authority ......................................................................... 3-2
   3.2.2 Recovery of Payments under Void Contracts ........................................... 3-5
      (a) Grounds for Recovery ............................................................................... 3-5
      (b) Recovery of Interest ................................................................................... 3-7
### 5.3 Purpose of Section 13

- **5.3.2** Purpose of Section 13 .......................................................... 5-22
- **5.3.3** To Which Insolvency Regimes Does Section 13 Apply? ............ 5-23
- **5.3.4** To Which Entities Does Section 13 Apply?............................. 5-24
  - (a) Section 13(a) ........................................................................ 5-24
  - (b) Section 13(b) ....................................................................... 5-24
  - (c) Section 13(c) ....................................................................... 5-25
- **5.3.5** To What Agreements Does Section 13 Apply?......................... 5-26

### 5.4 Canadian Insolvency Laws

#### 5.4.1 Federal versus Provincial Jurisdiction ..................................... 5-26
#### 5.4.2 Description of Canadian Insolvency Regimes........................... 5-27
#### 5.4.3 The Bankruptcy and Insolvency Act ...................................... 5-30
  - (a) To Which Entities Does the Bankruptcy and Insolvency Act apply? ........................................ 5-31
  - (b) Treatment of Derivatives Contracts in BIA Proposal Proceedings .................................................. 5-31
  - (c) Bankruptcy Proceedings ..................................................... 5-33
    - (i) Summary ........................................................................ 5-33
    - (ii) More Detailed Discussion of Bankruptcy Principles ...................................................... 5-34
      - (A) Designation of a Termination Date of Automatic Termination ................................................ 5-34
      - (B) Enforceability of the Close-out Netting Mechanism ......................................................... 5-39
  - (b) The Statutory Provisions ..................................................... 5-44
  - (a) To Which Entities Does the Winding-Up and Restructuring Act apply? ...................................... 5-44

### 5.5 Court Administered Receivership ...................................................... 5-46

### 5.6 Canada Deposit Insurance Corporation Act ................................. 5-46

#### 5.6.1 Overview of Restructuring Regime ........................................ 5-46
#### 5.6.2 The General Stay .............................................................. 5-47
#### 5.6.3 The Eligible Financial Contracts Exemption ............................ 5-48
#### 5.6.4 The Bridge Institution Stay ................................................ 5-49
  - (a) The Temporary Stay ......................................................... 5-50
  - (b) The Extended Stay ......................................................... 5-50
#### 5.6.5 Restructuring Stay ............................................................. 5-50.1

### 5.7 Companies’ Creditors Arrangement Act............................................ 5-50.3

#### 5.7.1 To Which Entities Does the Companies’ Creditors Arrangement Act apply? ........................................ 5-50.3

### 5.8 Special Procedures and Entities ..................................................... 5-52

#### 5.8.1 Trusts ............................................................................. 5-52
#### 5.8.2 Mutual Funds .................................................................. 5-52
#### 5.8.3 Pension Funds .................................................................. 5-53

### 6. ENFORCEABILITY OF SPECIFIC PROVISIONS

#### 6.1 Interpretation Generally ............................................................. 6-2
#### 6.2 Clause 1(c) Single Agreement ..................................................... 6-4
6.3 Section 2(a)(iii) of the ISDA Master Agreement 6-6

6.3.1 The Text of the Clause 6-6

6.3.2 The Interpretation Issues 6-6

(a) Brief Outline of Issues 6-6

(b) Timing, Extinguishment and Expiry Issues 6-7

(c) Gross-Net Issue 6-11

(d) Treatment of Suspended Payments in Subsequent Close-out Calculation 6-12

(e) Proposed Amendments to ISDA Master Agreements 6-12

6.3.3 Is Section 2(a)(iii) a Penalty Clause 6-13

6.3.4 Operation of Section 2(a)(iii) in Insolvency Proceedings: Antideprivation and Pari Passu Principles and Ipso Facto Clauses 6-14

6.4 Termination Rights 6-18

6.4.1 Termination Based on Cross-Default 6-18

6.4.2 Termination Based on Bankruptcy Events of Default 6-19

6.5 Payments on Close-Out 6-23

6.5.1 General Principles of Enforceability 6-23

6.5.2 Penalty Analysis Does Not Apply to Clauses Not Triggered by Breach 6-24

6.5.3 Can Loss of Bargain Damages Be Provided for a Non-Repudiatory Breach? 6-25

6.5.4 Loss Benchmarked Against Market Quotes 6-33

6.6 Contractual Set-off Rights 6-37

6.6.1 Summary 6-37

6.6.2 Set-off in Bankruptcy and Winding-up 6-38

6.6.3 Set-off Involving Claims to and by Affiliates

(a) What is Affiliate Set-Off? 6-40

(b) Effectiveness of Affiliate Set-off as Matter of Contract Law 6-40

(c) Effectiveness in Insolvency Proceedings 6-41

6.7 Conditional Payments and Flawed Asset Approach 6-46

6.8 Clauses Providing that the Non-Defaulting Party Does Not Owe the Net Termination Amount

6.8.1 Forfeiture of Defaulting Party’s Asset 6-47

6.8.2 Penalty 6-48

6.8.3 Forfeiture 6-49

(a) General Principles 6-49

(b) Unpaid Amounts 6-49

(c) Termination Amount 6-49

(d) Previous Payments 6-50

6.9 Section 13 Governing Law and Jurisdiction 6-51

6.9.1 Governing Law 6-51

6.9.2 Section 13(b) Jurisdiction 6-52

6.10 Oral or Electronic Confirmations 6-54

6.11 Opinion Qualifications 6-56
7. DUTIES OWED IN DERIVATIVES RELATIONSHIPS

7.1 Duties Owed in Derivatives Relationships ................................................ 7-1
7.2 Fiduciary Duties — Loyalty and Good Faith .............................................. 7-2
7.3 Breach of a Duty of Care ........................................................................... 7-9
7.4 Duties Not to Make Statements Fraudulently or Negligently ...................... 7-22
7.5 Regulatory Standards and Suitability — “Know Your Client Requirements” ........................................................................................................ 7-40
   7.5.1 General ............................................................................................ 7-40
   7.5.2 Regulatory Requirements ................................................................. 7-40
      (a) Securities Acts ............................................................................... 7-40
      (b) Commodity Futures Act .................................................................. 7-41
      (c) Self-Regulatory Bodies ..................................................................... 7-43
         (i) IIROC Rules .................................................................................. 7-43

8. SECURITY AGREEMENTS

8.1 Market for Secured Transactions ............................................................... 8-3
8.2 Recent Developments ............................................................................... 8-5
8.3 Security Documentation ............................................................................ 8-5
   8.3.1 Use of Standard Forms ..................................................................... 8-5
   8.3.2 Understanding the Credit Support Annex .......................................... 8-6
      (a) Structure ........................................................................................... 8-6
      (b) Mark-to-Market Collateralization .................................................... 8-7
         (i) General ........................................................................................... 8-7
         (ii) Level of Permitted Exposure ......................................................... 8-8
         (iii) Requirement for Overcollateralization ........................................... 8-8
         (iv) Conditions Precedent to Transfer Obligations ................................. 8-9
      (c) Type of Collateral .............................................................................. 8-10
      (d) Valuation of Transactions and Collateral .......................................... 8-11
      (e) Dispute Resolution ............................................................................ 8-12
      (f) Use of Custodian ................................................................................ 8-12
      (g) Commingling and Rehypothecation of Collateral ............................... 8-12
         (i) In Personal Property Security Act Jurisdictions ................................ 8-12
         (ii) In Quebec ........................................................................................ 8-14
      (h) Remedies and Grace Periods ............................................................... 8-17
   8.3.3 2016 Variation Margin Credit Support Annex ....................................... 8-19
      (a) Scope Provision (Paragraph 1(c)) ...................................................... 8-19
      (b) Covered Transactions - Broad or Narrow Product Set 
          (Paragraph 13 (b)(i)) ...................................................................... 8-19
      (c) Threshold (No Longer Applicable) ............................................... 8-20
      (d) Minimum Transfer Amount (“MTA”) (Paragraph 13(c)(vii)) ......... 8-20
      (e) Eligible Collateral (Other Eligible Support) 
          (Paragraphs 13(c)(ii) & 13(c)(vi)) .................................................... 8-20
      (f) FX Haircut (Paragraph 13(b)(iv)) ....................................................... 8-20
      (g) Valuation Date (Paragraph 12), Transfer Timing 
          (Paragraph 4(b)), and Notification Time (Paragraph 13(d)(iv)) .... 8-20.1
      (h) Legally Ineligible Credit Support (Paragraph 11(g)) ......................... 8-20.1
      (i) Interest (Paragraph 13(i)) ............................................................... 8-20.1
8.3.4 ISDA 2016 Phase One Credit Support Annex for Initial Margin (IM) ("Phase One IM CSA") ...................................................... 8-20.2
(a) Multiple Compliance Regimes (Paragraph 13 - General Principles) .................................................................. 8-20.3
(b) Covered Transactions (IM) (Paragraph 1(c), Paragraph 13(b)). 8-20.3
(c) Third Party Segregated Accounts (Paragraph 1(d)) and Control Agreements ........................................... 8-20.3
(d) Deliver Amount (IM) and Return Amount (IM) - The Strictest of (Paragraph 13 - General Principles - (hh)(1)), Paragraph 13(a), definition of “Strictest of”) .......................... 8-20.4
(e) Credit Support Amount (IM) (Paragraph 3), Threshold (Paragraph 13(c)(iv)) ..................................................... 8-20.4
(f) Calculations and the SIMM (Paragraph 13 - General Principles (ee) & (ff)) ...................................................... 8-20.4
(g) Transfer Timing (Paragraph 4(b)) ........................................... 8-20.5
(h) Condition Precedents (Paragraph 4(a)) ........................................... 8-20.5
(i) Custody Arrangements and the Control Agreement (Paragraph 6, 13(n) and the Account Control Agreement)...... 8-20.5
(j) Managing the Termination of the Custodian Arrangements (Paragraph 7, Paragraph 13(n)(iii)) ............................... 8-20.6
(k) Relationship between the Account Control Agreement and the Phase One IM CSA (Paragraph 13(n) (vi)) ........................................ 8-20.7
(l) Ineligible Credit Support (IM) Provisions ((Paragraph 13(c)(v)) 8-20.7
(m) Secured Party Rights Event, Pledgor Rights Event (Paragraph 8(a)-(b), 13(h)-(m)) ..................................................... 8-20.7
(n) Key Elections and Variables ...................................................... 8-20.8
(i) One Way Provision (Paragraph 13 - General Principles (aa), (Paragraph 13(u)(i)) ...................................................... 8-20.8
(ii) Method ........................................... 8-20.8
(iii) Eligible Collateral, Eligible Currencies ........................................... 8-20.8
(iv) Cash (Paragraph 13 - General Principles - (kk)) 8-20.9
(v) Base Currency (Paragraph 13(a)) ........................................... 8-20.9
(vi) Threshold (Paragraph 13(c)(vi)(A)) ........................................... 8-20.9
(vii) Minimum Transfer Amount (IM) (Paragraph 13(c)(vi)(B)) 8-20.9
(viii) Termination Currency (Paragraph 13(t)) and the FX Haircut Percentage ...................................................... 8-20.9
8.3.5 2016 Phase One Credit Support Deed for Initial Margin (English Law) ...................................................... 8-20.10
