## Meunier, Turmel, Giorno, and Hyndman **Lobbying in Canada**

Lobbying legislation significantly changes the way businesses and non-government organizations deal with federal, provincial and municipal (in the case of Quebec) government officials. This book provides a repository of lobbyism laws in Canada with useful commentary and guidance on the practical aspects of their application. An individual's or an organization's obligations with respect to lobbyism activities occurring in Canada must be considered in terms of not only the federal legislation but also the applicable provincial legislation, if the particular province has adopted such legislation.

This release contains updates to Chapter 8 (Alberta), Chapter 9A (Prince Edward Island), Chapter 10 (Saskatchewan) and Chapter 11 (Yukon).
