Health & Safety Compliance Toolkit – Ontario

Dear Subscriber:

Enclosed please find the first release to *Health and Safety Compliance Toolkit — Ontario* for 2022.

Please note that the Ministry of Labour's full name now is: Ministry of Labour, Training and Skills Development. We have not changed this throughout the Toolkit because of the number of pages involved.

This release features updates to the Supplement: Legal Compliance amid the COVID-19 Pandemic and to Chapters 2 (Occupational Health & Safety (OHS) Program Administration), 3 (Emergency Plan Procedures) and the Appendices.

We have updated a number of sections in the Toolkit and added a couple of new sections, to reflect regulatory changes since the last update. These are as follows

Highlights

- **Introduction:** We have updated and/or added new information to the Introduction to the Toolkit, starting on page A-1.
- **Supplement: Legal Compliance amid the COVID-19 Pandemic:** This has been updated to reflect the status of provisions affecting workplaces as of January 2022. In now Section C we have updated the resource organizations contact information.
- **Chapter 2 – Occupational Health & Safety (OHS) Program Administration – Pre-Start Health and Safety Review:** We have updated section 2.7 to reflect amendments made to s. 7 of the Industrial Establishments regulation and in effective January 2022.
- **Chapter 2 – Occupational Health & Safety (OHS) Program Administration – [new!] – 2.24 Accident/Incident Reporting:** We have added a new sample policy and procedure on accident/incident reporting. This reflects the consolidation of these requirements into one new regulation under the OHS Act.
