<p style="text-align: center;">DAMAGES Estimating Pecuniary Loss Cara L. Brown Release No. 1, June 2022</p>

Publisher's Special Release Note 2021

The pages in this work were reissued in September 2021 and updated to reflect that date in the release line. Please note that we did not review the content on every page of this work in the September 2021 release. We will continue to review and update the content according to the work's publication schedule. This will ensure that subscribers are reading commentary that incorporates developments in the law as soon as possible after they have happened or as the author deems them significant.

Changes to chapter and heading numbering may have occurred. Please refer to the Correlation Table in the front matter if you wish to confirm references.

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work

- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases, Table of Statutes and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
